MEMORANDUM FOR: Committee on Imagery Requirements and
Exploitation

SUBJECT: Advanced Imagery Interpretation Orientation
Course, Offutt Air Force Base -- Request for
Nomination of Candidates

1. The last scheduled running of the special one-week
Advanced Imagery Interpretation Course conducted by the Air Force
at Offutt Air Force Base for COMIREX member agencies is scheduled
for the week of 24 August 1970.

2. Each COMIREX member and consultant is requested to
review the needs of his component for this type of training, bearing in
mind that this may well be the last time this particular course is offered.
Please submit the names, (along with extension, grade, and social security
number) of your candidates to the Executive Secretary by close of business
on Thursday, 30 July. The memorandum should include a paragraph
certifying that the person or persons nominated hold SI-TK security
clearances.

3. It was agreed last October when COMIREX requested the
Air Force to continue this program of special courses that we would
reevaluate the need following the completion of the August 1970 course.
Discussion of this matter will be scheduled for a COMIREX meeting
during September and a decision will be made at that time as to whether
or not the Air Force will be requested to continue the course.
